

Chesapeake Sister Cities Joins Hope Filled Walkers

Walk to Defeat ALS Event in Va. Beach

April 25, 2015

Chesapeake Sister Cities made a donation to the Chesapeake Team “Hope Filled Walkers” lead by Mr. Forrest Winslow which was part of the “Walk to Defeat ALS” event held in Va. Beach on April 25th, 2015. Members of Chesapeake Sister Cities Committee presented the check to Mr. Forrest Winslow’s Team and they also took part on the walk.

Here is a note from Mr. Winslow:

Sister Cities Members,

Thanks for coming out and braving the cold weather. As you can see there were a ton of cold hands and faces, but many warm hearts. This walk is not only about the financial support but the emotional and spiritual support for all the patients and their families. We exceeded our \$15K goal thanks to your help!!!!
