On June 5, 2004 the first Joinville Jubilee was hosted at Truitt Middle School. Many new members of our local Brazilian community had the opportunity to enjoy the event, meet our Sister Cities Committee, taste authentic Brazilian treats, see a fabulous musical and dance performance and art from Joinville. The children enjoyed coloring scenes from our Sister City and much more!

June 5, 2004 was a day of meeting new friends and sharing cultures!
