Budget Highlights:

- The increase in salaries is due to a 2.5% pay increase, career path pay funding and the addition of six full time positions.
- The decrease in benefits is due to a reduction in the amount allocated for Other Post Employment Benefits (OPEB), and a reduction in the required contribution to the Virginia Retirement System.
- Purchased services cost increased due to additional payments to the PhotoSafe vendor associated with the PhotoSafe red light enforcement program and costs to bring the New World CAD system live.
- Internal service charges decreased due to a reduction in the self insurance allocation.
- Other Expenditures charges decreased primarily due to a reduction in lease/rental equipment (copiers) and a reduced phone service allocation.
- The addition of five new police officers is the primary reason for the increase in Materials. This includes costs for cameras, computers, radios and uniforms.
- Additional costs associated with the VESTA 9-1-1 Call Handling System SMS Upgrade is the increase in capital outlay.
- Funding of \$225,000 has been added to deploy 136 taser devices and to replace 70 wearable cameras.

Emerging Issues:

- Funding for additional Police Officers to be added in FY17-18 and again in FY18-19.
- Career path program for Senior Police Officers.
- Continued replacement of Axon wearable cameras.
- Loss of revenue from VITA funding for Wireless E-911 beginning in FY17-18.
- Need for 24 hour staffing for Virginia Criminal Investigations program.

Budget Highlights:

- The increase in salaries is partially due to the inclusion of funding for a 2.5% pay increase. The primary contributing factor to the decrease in benefits is due to the decrease in the Other Post Employment Benefits (OPEB) cost allocation and a reduction in the required contribution to the Virginia Retirement System.
- During the FY14-15 budget cycle the department expressed a need for one additional part-time Fire Inspector for each of three fiscal years for the Hazardous Environmental Action Team (HEAT). The third position has been included in the department's personnel complement for FY16-17. A full-time Office Specialist I has been reclassified to a Fiscal Administrator. The Fiscal Administrator will provide leadership, oversight, and direction for the financial activities of the department. The Career Progression Path Program has been fully funded in FY17. A part-time Plans Examiner was also added to the personnel complement. The position will enable the City to maintain its responsiveness to the business community and meet turnaround dates for plan reviews that have been established.
- The increase in the internal service charges is largely due to garage charges.
- The contributing factors that caused the slight increase in other expenditures include the allowance for utilities, travel, and dues/memberships.
- The materials category reflects a decrease due to decreases in funding allotted for supplies, books, and uniforms.

Beginning in FY 15-16, the cost of the Sheriff's operation was separated into three major functions that align with the department's organizational structure.

Goals:

- Enhance/further efforts for increasing training and education of Sheriff's Office staff.
- Enhance/further the use of modern technology to improve the effective and efficient operation of the Sheriff's Office.
- Enhance the Sheriff's Office functions through effective changes in operational goals.
- Enhance the operations of the Sheriff's Office through capital improvements.
- Enhance the relationship and community involvement between the citizens of the City of Chesapeake and the Sheriff's Office.
- Provide safe and clean housing for persons awaiting trial or serving sentences.
- Maintain a safe and secure environment in all Chesapeake Court Buildings.

Performance Measures	FY 14-15 Actual	FY 15-16 Budget	FY 16-17 Budget	Change from Prior Year
Average # of inmates (daily)	1,109	950	1,000	5%
Chesapeake inmates at the Regional Jail	87.5	187.5	250	33%
All legal process and warrants served	120,069	130,000	130,000	0%

Budget Highlights:

- Salaries and wages include a 2.5% salary increase along with over \$400,000 for a career progression program for Sheriff Deputies. Employee benefits include a reduction in the required City contribution rate for the Virginia Retirement system, and Other Post-Employment Benefits, but also an increase in estimated health insurance costs.
- The position changes beginning FY 2016-17 include the reclassification of Data Control Technicians I and II to Sheriff's Clerk positions. Two Part-Time Van Driver positions were added during FY 2015-16 for the Work Release program, as well as one Deputy for the Inmate Workforce. All other position changes occurred during FY 2015-16.
- The Sheriff's department will implement a Cadet program by using interns on a part time basis from area universities in a training program toward becoming a Sheriff's deputy. The new Cadet program should alleviate overtime and provide a continuing pool of Deputies. This accounts for an additional 8.75 full time equivalent positions, which were added during FY 2015-16, but after the budget was approved. The Information Systems Manager position was reclassified to a Systems Analyst II and expanded to add a Systems Analyst I. The Client Technology Analyst I was upgraded to a Client Technology Analyst II. One Deputy position was reclassified to a civilian Public Communications Specialist. A Storekeeper Supervisor position and a Part Time Payroll/HR Technician were added during FY 2015-16 to better manage workloads.

* All General District Court staff are employees of the Commonwealth of Virginia

The Chief Judge of the District Court (DC) requested that the City provide local stipends to all DC clerks in order to address a purported disparity between DC clerks and Circuit Court (CC) clerks. Until recently, state statute specifically prohibited the City from supplementing the wages of DC clerks. The prohibition was removed from the statute in 2012. Unlike DC clerks who are employees of the Commonwealth, CC clerks are employees of the Clerk of the Circuit Court, a locally elected constitutional officer. CC clerks are paid through the City’s payroll system, but their wages are largely paid from funds the City receives from the State Compensation Board. The CC employees are classified under the City’s compensation plan and follow the City’s pay practices and policies. The DC positions are under the state’s classification system and pay practices and policies.

The Human Resources Department is currently reviewing the request and will recommend action once it has received and analyzed data on the District Court clerks.

Total Expenses/Requirements:	\$ 4,004,078	\$ 4,337,399	\$ 4,411,036	1.7%

Budget Highlights:

- The budget for FY 2016-17 includes a 2.5% wage increase for employees. Salaries and wages have also been adjusted for increases due to the compression and market adjustments made in FY 2015-16. Employee benefits show a reduction due to a lower required contribution rate for the Virginia Retirement System and a reduction for Other Post-Employment Benefits.
- The other expenditures category has been reduced for one-time funding of equipment including scanners, and shredders, and estimated expenses for equipment leases, such as copiers. This category will need to maintain funding for the docket management software that was implemented in FY 2015-16.
- Office supplies have been reduced in relation to the managed print services contract that began in FY 2015-16. This should reduce costs for copier and printer toner and ink.

Commonwealth's Attorney

240000

Budget Highlights continued:

- Over the last decade, the Police Department has issued body worn cameras (BWCs) to patrol officers which has resulted in an increase in prosecutor workload. Every video from a BWC is evidence in criminal cases including DUIs and domestic violence misdemeanors (over 400 in FY14-15). Prosecutors must view videos for purposes of discovery before trial, thus many hours have been added to each attorney's work week so that cases can be prosecuted. Therefore, an additional Attorney position has been requested for FY 2017-18.
- In addition to preparing for and representing the Commonwealth in criminal trials, other processes includes: requests for information or meetings with citizens, law enforcement officers (state and local), and defense attorneys, issuing subpoenas, and receiving and processing Certificates of Analysis (over 1,200 received in FY14-15).
- Certificates of Analysis must be filed in the appropriate courts in a timely manner (over 800 filed in FY14-15) or the criminal charges may be dismissed. These analyses include DNA, firearms, narcotics, etc. Certificates are also filed for DUI (driving under the influence) cases. DUI cases account for approximately 700 additional cases prosecuted by the office each year.
