Department of Public Utilities
City of Chesapeake
P.O. Box 15225
Chesapeake, VA 23328

Dear Mr. Walski:

A Preliminary Engineering Report prepared by URS Corporation for the Northwest River System located in the city of Chesapeake has been reviewed by this office. The report is entitled "Battlefield Golf Club Water Project" and is dated April 10, 2009.

The report proposes to extend waterlines to residents not currently served by city water on Murray Drive from Centerville Turnpike to Whittamore Road.

The Virginia Department of Health, Office of Drinking Water, in accordance with 12 VAC 5-590-200 of the Commonwealth of Virginia Regulations approves the Preliminary Engineering Report.

One copy of the report has been stamped approve and is enclosed. If we can be of additional assistance, please contact Ms. Renée S. Hall, District Engineer at ext. 113.

Sincerely,
