AS OF 4/17/2020, THE HAMPTON ROADS REGION HAS 1,202 CASES & 37 DEATHS

The “CASES” reflected in this Dashboard are “CONFIRMED” COVID-19 cases that were ascertain by testing.
Because testing is still limited, and many individuals only display mild symptoms or no symptoms at all, we should all strictly adhere to prescribed physical distancing guidelines and practice strict hygiene and use PPE when necessary.
- Individuals DO NOT have to be symptomatic for transmission to occur.
