

Workers' Compensation

If you are injured on the job, you may be covered by Worker's Compensation Insurance. This insurance provides you with a replacement income while you are injured and covers your medical, surgical and hospital expenses resulting from an on-the-job injury. For any questions, please contact Risk Management in the Finance Department at 382-6377 or the Virginia Workers' Compensation Commission at (804) 367-8600.
