

Chesapeake Bikes/Trails Advisory Committee

Friday March 6, 2020

Tammy Hill BTAC Chair

**Chesapeake Bikes/Trails Advisory Committee
Official Logo**

Chesapeake Bikes/Trails Advisory Committee Mission Statement

**Advise the city with regard to development and maintenance
of routes and trails throughout the city.**

Chesapeake Bikes/Trails Advisory Committee Mission Statement

Prioritize routes and trails and make recommendations to update the City's Trails Plan, considering potential funding, projects underway in neighboring localities and the connectivity with areas within the City, i.e. libraries, schools, parks, and other trails

**Chesapeake Bikes/Trails Advisory Committee
Mission Statement**

**Enhance safety for all citizens by recommending
improvements to established
and developing routes and trails,
i.e. signage and roadway accommodations**

Chesapeake Bikes/Trails Advisory Committee Mission Statement

**Promote regional bike and trail opportunities and
cooperation with neighboring localities**

**Advocate for alternative means of transportation,
recreational trails and the facilities required to supports them,
i.e. bike racks**

Chesapeake Bikes/Trails Advisory Committee Mission Statement

Consult with multiple of local, state and national localities that promote the transportation and recreational benefits of trails

Promote education within the community on the benefits of using alternative methods of transportation and recreational trails
