

Chesapeake Fine Arts Commission

2018 Meeting Information

The objective of the Fine Arts Commission is to make or arrange for studies on the needs of the cultural groups and citizens of Chesapeake for public cultural facilities; to act as a coordinating body for the various fine arts groups within the City; to promote participation in and appreciation of the fine arts throughout Chesapeake.

Since 1968, the Chesapeake Fine Arts Commission (CFAC) has served as the united voice for the arts community by educating the public about the value and significance of music, architecture, drama, dance, painting, and sculpture. The commission's mission is to increase citizen access to the arts by providing leadership, advocacy and support for art that enriches the cultural vitality of our community. Regular meetings are held at 6:30 p.m. on the third Thursday of the month. Meeting locations take place at the Parks, Recreation and Tourism Administrative offices.
