We couldn't do it without YOU! A big THANKS to all our Volunteers!

People from all walks of life can participate in this program of planned giving. Research shows that approximately 80% of Americans give to non-profit organizations while they are living, but only 6-8% remember to include them in their wills.

Donations of land and property easements can provide tax advantages to the donor, as well as

the opportunity to leave a personal legacy. We at Chesapeake Parks and Recreation have developed a Park Legacy program to ensure that your wishes are carried out through your will or codicil. Private contributions of property and easements can be transferred legally and effortlessly.
