Apr 26, 2012

The Census Bureau is releasing Summary File 2 data on a state-by-state flow basis from December 2011 through April 2012. Data have been released for all States, including the District of Columbia and Puerto Rico. The SF 2 national level detailed tables and quick tables also have been released. National level geographic comparison tables will be released at a later date. SF 2 provides detailed data on age, sex, households, families, the group quarters population, and occupied housing units for up to 331 race, Hispanic or Latino origin, and tribal population groups. Presentation of SF 2 tables for a population group is subject to a threshold of 100 or more people of a particular group in a particular geographic area. [more »](#)
