

# STREETSCAPE DESIGN GUIDELINES

## I. GENERAL (ALL DISTRICTS)

### A. Statement of Intent

Streets, sidewalks, and parking areas play an important part in establishing Great Bridge Village's built environment. Although the physical appearance of these elements has changed with time, their earlier character can still be found throughout the Villages.

The guidelines provide a means by which to maintain the physical and spiritual integrity of each district and the "sense of place" of Great Bridge Village. They also seek to re-establish the street as a public domain which can and should accommodate both pedestrian and vehicular movement in comfort and safety.
