FREE expert recommendations and money towards a “truly green” lawn!

“We have our most beautiful lawn ever thanks to River Star Homes.”
-Chuck Beers

We will pay **up to \$500** to get you started on your kid-, pet-, and river-friendly yard!

Beautiful Green Benefits

- Create your most beautiful lawn ever while helping restore the River.
- Reduce pollution and help prevent algae blooms
- FREE advice on how to sustain a healthy lawn without chemicals

Our lawn care experts will visit your home for a FREE evaluation of how you can have your healthiest lawn ever without chemicals. We will help you take a soil test (\$10 to A&L Labs). You’re also eligible for funding to help with aeration and top-dressing with organic compost, a great way to jump start a beautiful natural lawn. We can help you do the work yourself, or you can work with a contractor.

Create a beautiful rain garden

Rain Garden Benefits

- Help restore the health of the Elizabeth River by reducing polluted runoff from your yard.
- Prevent standing water after storms. Rain gardens make use of native plants and soil to naturally absorb and filter rain water.
- Rain gardens can reduce the number of mosquitoes in your yard by reducing the amount of standing water.
- Use native plants to attract beautiful butterflies and hummingbirds to your yard!

Up to **\$3,000**
for the right yard!
