The purpose of this Citizen Information Meeting is to receive public input on the City’s proposed improvements to the intersection at Greenbrier Parkway and Woodlake Drive. The proposed project will add an eastbound right turn lane from Woodlake Drive to Greenbrier Parkway, and will provide replacement of the existing span wire traffic signal with a mast arm and pole system. Drainage improvements will also be provided to the Greenbrier Parkway drainage crossing.

The meeting provides an opportunity for any individual, association, citizens’ group, or governmental agency to offer comments for the project record. The meeting is an open house format, and citizens are welcome to come and go at any time throughout the duration of the meeting. City staff will be available to answer questions. Comments may be submitted at the meeting or submitted to the Chesapeake Department of Public Works no later than April 7, 2019.

The City of Chesapeake ensures non-discrimination and equal employment in all programs and activities, in accordance with Title VI and Title VII of the Civil Rights Act of 1964. If you need more information or special assistance for persons with disabilities or limited English language proficiency, contact the City Clerk’s Office at 382-6151 (or TTY 711). For more information, contact Scott C. Frechem, Project Manager at (757) 382-6319 or by e-mail at sfrechem@cityofchesapeake.net.
