CITIZEN INFORMATION MEETING
CHESAPEAKE DEPARTMENT OF PUBLIC WORKS
Horse Run Ditch West Area Drainage Improvements
Thursday, May 9, 2019 from 5:00 P.M. to 7:00 P.M.
Chesapeake Central Library
298 Cedar Rd., Chesapeake, VA 23322

The purpose of this Citizen Information Meeting is to receive public input on the City’s proposed project to install a new double 4-foot by 8-foot concrete box culvert under Warrick Road. This project will alleviate flooding in upstream areas, to include the Cedar Lakes neighborhood. Warrick Road will be closed for the duration of the project, and the proposed detour is outlined in the project brochure and on the City’s website.

The meeting provides an opportunity for any individual, association, citizens’ group, or governmental agency to offer comments for the project record. The meeting is an open house format, and citizens are welcome to come and go at any time throughout the duration of the meeting. City staff will be available to answer questions. Comments may be submitted at the meeting or submitted to the Chesapeake Department of Public Works no later than May 19, 2019.
