

<b>Job Class Code: 1180</b>	<b>FLSA Status: Exempt</b>
<b>Pay Code: 2</b>	<b>EEO Category: 2</b>

**GENERAL DESCRIPTION OF CLASS**

The purpose of the class is to procure goods and services for the City, supervise assigned staff, and assist with oversight of department operations. The class is responsible for performing professional procurement responsibilities associated with pre-award and post award contracting functions, including planning bid processes and preparing documents; soliciting and evaluating proposals and bids, and awarding and administering moderate to large dollar value contracts. The class works within a general outline of work to be performed under general supervision.

**TYPICAL TASKS**

- Serve as contract procurement lead.
- Provide training to end users in the contracting process.
- Reviews departmental requisitions and assists City personnel with the procurement of goods and services by expediting the procurement process and ensuring compliance with related codes.
- Drafts specifications for commodities and prepares and revises bid solicitation documents for competitive sealed bids and negotiations.
- Solicits proposals and/or bids for various city departments for the procurement of construction services, professional services, non-professional services, equipment, goods and other services.
- Coordinates with bidders to research availability of goods and services, determine awards, provide assistance with procedures, and respond to questions and concerns.
- Places purchase orders for supplies, materials, and equipment through competitive bidding.
- Organizes and directs pre-bid conferences and proposal evaluation committees and presents findings to management.
- Prepares documentation such as reports and correspondence to communicate information and maintain vendor relations.
- Assesses, tracks, and identifies key City needs for long term contracts including specification, acquisition, and maintenance and support requirements. Works with suppliers and internal service providers to maintain a professional relationship.
- Ensures suppliers meet defined requirements, goals and targets. Leads all aspects of supplier negotiations, including contract terms, pricing, and performance management. Provides leadership in developing key long term supply contracts to achieve continuous improvement. Manages contracts to ensure cost, service and quality requirements are met.
- Develops and maintains terms and conditions for purchasing agreements and contracts. Recommends modifications to accommodate legislative, industry or City changes. Seeks advise from legal when appropriate. Provides documentation and interpretation of contractual rights and obligations internally and externally, ensure that due diligence is practiced in complying with the stated terms and conditions.
- Performs other related duties as assigned.
