Business Beautification Award Winner Announced

Towne Place at Greenbrier, located at 725 Eden Way North was recently honored as the 2017 Chesapeake Business Beautification Award winner. Towne Place, a mixed-use retail shopping center in the heart of Greenbrier, is home to more than twenty restaurants, retail stores and businesses. This year, the group of judges from the Chesapeake Environmental Improvement Council were particularly impressed with the careful design and maintenance of the public areas which boast a diversity of plants and trees and provide inviting spaces where people can rest and enjoy the environment. The center courtyard is the jewel of the complex, however, with a sculpted fountain, wide grassy field and gazebo, providing a unique and clean open space for families to enjoy. This space was the backdrop for a free, summer concert series which ran from June through August of this year, and included live music performances, games, raffles and food for all ages.

The Business Beautification Award contest has been held annually since 1994, and judging decisions are based on landscaping, building, litter control, and signage. This year, Towne Place joins establishments such as the Girl Scouts of the Colonial Coast, Tapestry Park Apartments, and Independence Place on the list of award winners.

The Chesapeake Business Beautification Award is sponsored by the Chesapeake Environmental Improvement Council and the Women's Division Hampton Roads Chamber of Commerce Chesapeake.
