

CURBSIDE RECYCLING PROGRAM

Q56 - It has been suggested that Chesapeake expand the curbside recycling program so residents would have the larger 90-gallon wheeled containers and they could recycle a wider variety of materials. Naturally, this would cost more. If an expanded recycling service with bi-weekly pickups cost each household \$7.75 per month, would you want the recycling program to be expanded, or not?

	<u>Number</u>	<u>Percentage</u>
Yes	99	32.1%
No	<u>209</u>	<u>67.9%</u>
	308	100.0%
