Please drop in to learn more about this project and how the Improvements will impact you.

Those attending will be able to review the project plans and discuss the project with representatives from the design team and City staff.

This Project will include the replacement of water mains along portions of Buchanan, Decatur, Stewart, Butt and D Streets and Bainbridge Boulevard. Improvements also include reconstruction of streets. Construction of the project is expected to begin in the Spring of 2022.

For more information regarding this project or the upcoming Open House, please contact Mr. Arnie Cuevas, Project Manager at 757-382-6019.
