Join us for our annual Fall Fest, a free community event that offers a safe place and a family-friendly environment for children under 18 with special needs and their families. The event features games, pumpkin patch, music, quiet sensory room, pet therapy dogs, and fun photo opportunities. Outside visit our local police and swat teams and pumpkin patch.

Kids and their families are encouraged to wear their favorite costume and decorate their wheelchair or adaptive equipment and trick or treat in our accessible indoor "neighborhood." No costume weapon accessories, please.
