

**HAULING OR MOVING PERMIT  
OVERWEIGHT RESTRICTIONS**

Weight restrictions on the following and all other bridges and structures are subject to changes, additions, and deletions without notice. The permittee and the operator of any vehicle stated on this or any other permit shall be responsible not to exceed the posted weight restriction or maximum legal weight of the vehicle, whichever is the lesser, of any posted bridge or structure to be crossed. The weight restriction posted at any bridge or structure shall be the maximum weight permitted for that type of vehicle and shall take preference over any other stated or implied restriction on this permit or any other overload permit for that bridge or structure. However, no vehicle shall exceed the maximum legal weight if lesser than that posted.
