

### Do you know someone in need of Durable Medical Equipment (DME)?

MIH distributes DME to low-income uninsured or under-insured adults in Chesapeake.

Do you have DME you wish to donate?

We will gladly accept the following items in good working order:

***Walkers, Rollators, Manual & Motorized Wheelchairs, Hospital Beds, Hoyer Lifts, Ramps, Canes, and more...***

### What is Mobile Integrated healthcare?

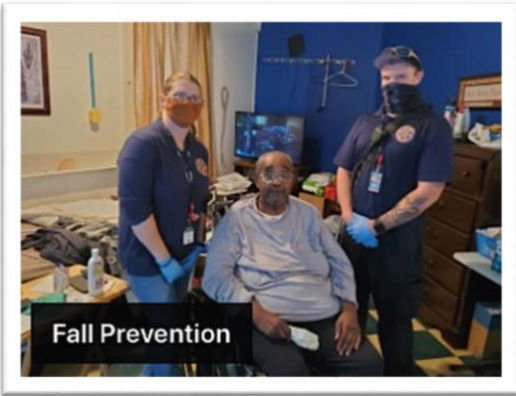

CFD's Mobile Integrated Healthcare (MIH) program is an innovative and evolving model of community-based, patient-centered healthcare designed to provide effective and efficient services to our community.

MIH is a term often used interchangeably with Community Paramedicine (CP); however, MIH is broader, including services provided in the "out-of-hospital" environment.

Using a team-based approach, MIH allows EMS professionals to function outside of traditional roles by:

- ***Navigating citizens toward the appropriate level of care in a timely and cost-effective manner.***
- ***Integrating services, both clinical and non-clinical, to meet our citizens' needs.***
- ***Assessing and Educating citizens at-risk for hospital admission or re-admission and assist in the management of chronic disease.***

## Fall Prevention

Fall Prevention is offered to ALL Chesapeake residents (regardless of income or insurance) who are at risk for falls or have called 9-1-1 for fall-related injuries.

Once referred, MIH will schedule an in-home visit to address any safety or medical related concerns.

MIH works with the community to collect and re-distribute **Durable Medical Equipment** (hospital beds, wheelchairs, walkers, Hoyer lifts, electric scooters, canes, etc.) to residents in need.

**\*We welcome self-referrals for you or a family member.**  
**Call (757) 819-7032 to schedule an appointment.**

**"WE DEDICATE OURSELVES TO PROTECT AND IMPROVE YOUR QUALITY OF LIFE BY PROVIDING RESPONSIVE AND CARING SERVICE."**

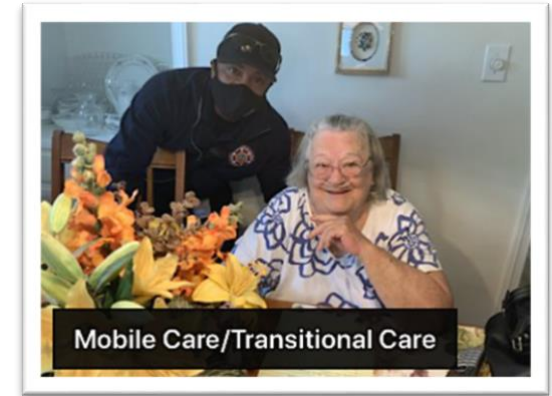

## MVP Connection

When **FIRST RESPONDERS** recognize a need for additional resources that cannot be accomplished during a 9-1-1 call, residents are referred to **MVP Connection**.

Once referred, MIH will assess, evaluate, and address concerns linked to **CLINICAL, PSYCHOLOGICAL, SOCIAL, MEALS, ENVIRONMENT, RECORDS, INCOME, TRANSPORTATION, SKILLS (CP's MERITS)**.

**\*\*\*CFD/CPD Referrals Only\*\*\***

## Mobile Care/Transitional Care

In an effort to support Chesapeake's high-risk and medically underserved communities, MIH proudly partners with **Chesapeake Regional Medical Center** and **Healthy Chesapeake's HUB** to monitor and educate patients diagnosed with **COPD, CHF, Diabetes, and Hypertension**.
